My name is Karanbir Singh.I completed my degree in Bsc. I.T. I am looking for a job for a completer freshier. I like Programming, Playing CTF's and solving challanges. I am a good Red Teamer in cyber security field and in Linux Forensics to make it secure from attackers. I am a good developer too. I am a fast learner and always ready to learn something new and I works very hard in my profession.

PROJECTS

Reverse Engineering CTF (January 12, 2022 - Present)
A simple CTF of reverse engineering
